

MINUTES
Walker Curling Club
Meeting on March 26, 2007
5:30PM Benson's

Call To Order – Steve Baker @ 5:30. Steve said papers were lost and he had to submit them again! He is doing this pro-bono, but the club would have to pay the filing fee.

Minutes – Sudy Johnson presented minutes of 2-26-07 meeting, approved

Treasurer's Report – Although absent, Tanis Beadle had report attached showing a checkbook balance of \$3,480. Approved as submitted.

Committee Reports

Membership – Marcus Mitchell presented prospective membership list, which was divided up between those present in an effort to obtain a monetary commitment.

Rocks – Pete Rogers presented rock availability from 3 different sources – USCA, Dakota Supply & St. Paul. Since we didn't have a firm bid from St. Paul, the decision to purchase rocks was tabled until April meeting. USCA is holding 2 sets for us, so we must make a decision at the April meeting.

Promotion – Although absent Melanie Rich had informed the club that she had added to the web page and we could check it out at www.walkercurlingclub.org. The "Rocketts" were mentioned again to promote the club for parades, crazy days, etc. Sudy will try to find interested girls!!

Fund Raising – Dave Olson will talk to Bill Bieloh about helping with Country Fest as a fund raiser. He also suggested and will check into permits for a Las Vegas Night.

Clubrooms – Jamie Johnson pointed out two possibilities for a club room, 1) along the north side of the ice only and 2) wrapping around to one of the ends – east or west. It was suggested that we concentrate on the north side only and look into television cameras on the ends with which we could follow the rocks. We cannot begin with construction until the locker rooms are built, which hopefully will be soon.

Old Business – Insurance bids were sent to local agents, but none could match USCA Program of \$8.50/curler.

Next Meeting – It was decided to meet the last Monday of every month at 5:30PM from now on instead of 7PM. Next Meeting – April 30th.

Adjournment – 6:30PM. Social followed, courtesy of Benson's.
